Re: **ISPS documentation change**

Dear All,

Due to the Treaty implementation, please note that we are implementing a new documentation format as per the FAL Convention (*Convention of Facilitation of International Maritime Traffic*). This will affect the Crew List, Passenger List and Dangerous Goods Manifest. All other ISPS documents will remain the same and must still be submitted.

These documents are as follows and will be circulated:-

FAL Form 5 – Crew list
FAL Form 6 - Passenger list
FAL Form 7 - Dangerous Goods Manifest.

This will come into force as from Saturday 11th July 2026 at 00:01 AM. Any vessels already in VMS before that time and cleared or pending correction will not require any change. Any new vessels will require these forms, non-compliant forms will result in the entry being sent for correction until such a time that the correct forms are uploaded.
