

PORT CIRCULAR 5 OF 2020

To: All Bunker Suppliers

From: Captain of the Port

Date: 4 March 2020

Re: Bunker Suppliers Requirements to Notify Gibraltar Port Authority in Case of Disputes

Dear All

Bunkering in Gibraltar is regulated by the Gibraltar Port Authority (GPA), through its 'Bunkering Code of Practice'. This booklet aims to provide useful guidelines for those involved in the bunker delivery process. The Code of Practice is enforced by dedicated Bunkering Superintendents. Any unethical, fraudulent or other illegal activities should immediately be reported to the GPA.

Should a dispute arise, which has not been settled 2 hours after the completion of pumping operations, the GPA must be immediately notified by telephone, to the Duty Port Officer (+350 57334000 or +350 200 46254 ext 2003).

Delays in the start of delivery/s (over 2 hours after all fast) are also to be reported to the GPA in the same way.

Should any delay as described above, be resolved with or without the need of GPA intervention, an email informing of the dispute is to be sent to gibunksupt@port.gov.gi with copy to spo@port.gov.gi at the earliest opportunity.

Copies of each Letter of Protest raised by the vessel and the bunker tanker/barge, together with a copy of the BDN, shall be sent to the Gibraltar Port Authority by e-mail at gibunksupt@port.gov.gi with copy to spo@port.gov.gi.

BY ORDER OF THE CAPTAIN OF THE PORT
